

THERE'S ONLY ONE LOOP-LOC®.

HERE ARE **15 REASONS WHY.**

- 1 A LOOP-LOC cover is the only safety cover to be awarded UL certification year after year.
- 2 Mesh construction lets rain and melting snow drain right through.
- 3 LOOP-LOC is so durable, it's backed by a 15-year prorated warranty and so safe, it may reduce your liability insurance.
- 4 LOOP-LOC is so lightweight, putting it on and taking it off your pool is a snap.
- 5 LOOP-LOC blends beautifully into any backyard, with your choice of standard Spring Green or four optional designer colors.
- 6 LOOP-LOC's patented CABLE-LOC™ and GAPGUARD® Child Safety Intrusion Barriers close the gap created when a pool includes raised obstructions located at the cover's edge.
- 7 The polyester bonded thread used in LOOP-LOC covers is 30% stronger in thread size and produces a higher margin of safety in all seams (compared to our competitors).
- 8 Double-perimeter webbing and double-thick straps give our covers an incredibly high break strength.
- 9 We use extremely high-strength, non-corrosive 302/304 grade stainless steel springs for superior weight-bearing capacity.
- 10 Unique brass anchors recess flush with the deck when the cover is removed.
- 11 We sew the webbing to the cover using contrasting white thread, instead of black, to ensure that not a single stitch is missed.
- 12 We use 87% black yarn in our fabric for superior UV stability.
- 13 Chafe strips are manufactured with exclusively virgin material – not “regrind,” which tends to stain decking.
- 14 Non-corrosive aluminum tips are double-notched for stability.
- 15 The large X-tacking on LOOP-LOC straps is sewn manually for precise placement and maximum strength.
