

INTRODUCING AQUA-XTREME VIRTUALLY SOLID MESH

MAXIMUM LIGHT BLOCKING, LIGHTNING-QUICK DRAINAGE,
ULTIMATE CONVENIENCE!

Imagine opening your pool in the spring and having it look almost as clean as the day you closed it. That's what you can expect from new Aqua-Xtreme "Virtually Solid" mesh safety covers by LOOP-LOC®. Our ultimate light blocking fabric not only deters algae growth but drains lightning-quick. Unlike other light blocking covers, this one drains up to 80 gallons per minute without clogging. Plus, the unique, new weave is super strong to give you complete peace of mind. Available in popular "Green" and new "Sapphire Navy."
